

**Green-Spark Green Pages:**  
**A Local Green Product Database**

The Green-Spark Green Product Database is a collection of green products available within approximately 500 miles of San Diego County. Included in the database are homebuilding products that are sustainably harvested, non-toxic, low to zero VOC emitting, and environmentally conscientious.

**Item titles listed in red are highly fire-resistive materials.**

This is a growing database. If you would like to suggest additional products, please contact the Green-Spark Chairperson at [jowens@green-spark.org](mailto:jowens@green-spark.org).

**Legend:**            **FR=Fire-Resistant (Fire-Resistant products are labeled with FR)**
